

FARRREN JONES

BIOGRAPHY

**Remember when song-writing was a craft?
Hook-lines, simple emotive lyrics?**

The kind of artists capable of writing timeless classics?
Songs that never disappear from the airwaves?

Farren Jones is that artist, here and now.

As an award winning songwriter and seasoned live performer, Farren is forging his name as a serious contender.

Working along side an ARIA nominated production crew, Jones has poured his heart out into a dynamic new album titled “Whenever” now set for release.

Riddled with melodic hooks and emotive lyrics, the album has the potential to become a standard household fixture and catapult Farren Jones into the charts and beyond.

The kind of artist capable of producing timeless classics that never disappear from the airwaves?

Farren Jones is that artist!
